## PRESS RELEASE

May 14<sup>th</sup> 2019

Hello,

It is with great honor and pride that we wish to announce the arrival of **MARINETTE PICHON** at Soccer Lac St-Louis!

Indeed, the former international player, 112 caps on the French team and holds the record of 81 goals with the national team, signed a coaching contract with Lac St-Louis. She is a great champion who is defined by the media as a pure talent, the Zidane of French women's football, an icon, a pioneer in the history of football, and a champion out of the ordinary.

She was voted best player and scorer in 2003 of the American League with the Philadelphia Chargers. Champion of France and top scorer of the French championship several times, she participated in a World Cup and 3 European Championships. Sports commentator for France Télévision, she will cover the FIFA Women's World Cup 2019 in France.

It is with great pleasure that we welcome her, with her wife Ingrid and their little boy Gaël, to our large Quebec soccer community and she will officially begin her new duties at Soccer Lac St-Louis as of August 1<sup>st</sup>, 2019.

We are convinced that her immense talent and her great professionalism will serve as a springboard for our great region.

Welcome Marinette to your new family at Soccer Lac St-Louis!
